THE Untold Edition

A public, non-profit art project to change the creative landscape of Karachi through novel ideas, interactive installations and creative meet-ups. To inspire the community of Karachi, provoke thought about our impact on this city and recreate positive associations we may share with it.

July '18	*Open Mic Night at T2F* *Tree planting drive at NJV (ongoing)*
Aug '18	*Painting an uplifting mural on the walls of an eye hospital for the underprivileged*
Oct '18	*Creating a Karachi themed candle series with Karachi Candle Company*
December '18	*Artist's tour of Karachi on Super Savari Express to create postcards of the city.* *Art workshop and fundraising exhibition with underprivileged women and children at NJV and DCTO government schools*
Jan '19	*Interactive Exhibition of complete collections from the event series*
